What will you be doing on the longest day of the year?

Bring your friends, bring your families, bring yourself. Make your way to downtown Midland on June 21st from 5:00 – 9:00 p.m. as we celebrate the longest day of the year and show our commitment to making our community better. In conjunction with the Summer Solstice Event in downtown Midland, the United Way of Midland County will be sponsoring a fun way for you to get involved in changing the face of our community.

United Way will be hosting a dunk tank near the corner of McDonald and Main Street. Stop by to “dunk” many local celebrities, leaders and maybe even your neighbor. All that is required to join in the fun is your commitment to making our community a better place. You can give (\$1.00 donation) to support local agency programs and services. You can volunteer, by agreeing to sign up through the new United Way volunteer portal (www.volunteermidland.org). And finally, you can advocate for change in Midland County, by posting your answer to “How will you make a difference in your community?” on the community wall.

There will be a multitude of exciting activities and events presented at the Summer Solstice celebration, with local businesses and community organizations offering great family fun. Join the Renaissance atmosphere, where you will experience everything from street musicians and magicians, to Dragonfly crafts and food galore!

We are all people here in Midland County, who are connected and interdependent. United Way wants to help create a better life for everyone in the community and recognize that when you reach out a hand to one, you influence the condition of all. That’s what it means to Live United.

Whether it is important to you to solve a community problem, advance a worthy cause or reach out to those in need, the first step is getting involved. We invite you to Live United and join us as we make a difference right here Midland County!

For additional information on this exciting event, contact Holly Miller at United Way of Midland County at (989) 631-3670 or email hollymiller@unitedwaymidland.org.
